

ALL READY

For The Democratic Campaign Opening At Canton

Elaborate Preparations Are Now Under Way

Governor Harmon And Other Candidates To Be There

A Big Parade Will Precede The Speaking

A Large Attendance Is Expected In The City

Canton, O., Sept. 21—For the first time in its history Canton is to be honored with the Ohio Democratic campaign opening, which will be held here Saturday afternoon, September 24, with Governor Judson Harmon, Atlee Pomeroy of this city candidate for lieutenant governor and Timothy S. Hogan of Wellston, candidate for attorney general as the chief speakers.

Although the meeting will mean much for the Harmon presidential boom, yet there will be little or no national politics injected into the speeches. The Democratic central committee has decided to have as the speakers only the man for whom Ohio voters will be asked to cast their ballots at the November election. The orators will confine themselves to state issues, including the graft exposure in the state house, the waste of money in the management of the canals and the taxation question.

The speaking will be held in Canton's famous Auditorium, which will accommodate an audience of 5,000 persons. State Chairman Hugh Nichols of Batavia, Ohio, will be presiding officer.

Preceding the meeting there will be a big parade of Democratic marching clubs, with bands, floats, and horseback brigades. Political clubs from Cleveland, Akron, Youngstown, Salem, Wooster and Orrville have accepted invitations to join in the procession, which will be under the direction of the Young Men's Democratic club of Canton. The parade will move promptly at 1 o'clock in charge of Chief Marshal William F. Ringgenberg.

Governor Harmon, with other state officials, will arrive on a special train from Columbus at 10 o'clock Saturday morning. He will be met by the Grand Army band, the musical organization which led William McKinley to so many victories in his long career.

Local committees are making every preparation to take care of the crowds. The hotels and restaurants will provide extra accommodations.

If his health permits ex-Mayor Tom L. Johnson of Cleveland, who is expected home from the east in a few days, will lead the Cuyahoga county delegation, which will come on a special train.

Many sufferers from nasal catarrh say they get splendid results by using an atomizer. For their benefit we prepare Ely's Liquid Cream Balm. Except that it is a liquid it is in all respects like the healing, helpful, pain-allaying Cream Balm that the public has been familiar with for years. No cocaine nor other dangerous drug in it. The soothing spray is a remedy that relieves at once. All druggists, 75c, including spraying tube, or mailed by Ely Bros., 56 Warren St., New York.

HUGE SNAKE

Killed By Two Women At E. High St. Residence

Miss Helen Collins of East High street had a thrilling experience at her home Tuesday afternoon with a copper-head snake, but proved herself a real heroine. Mrs. W. A. Ackerman had left her little boy with Miss Collins during the afternoon, and the two were passing through the back yard when the child's attention was attracted to a strange object in the grass near the hydrant, and to her horror Miss Collins discovered that it was a huge snake coiled and with its head up. With presence of mind she got the child away and then summoned a neighbor, Miss Rhoda Sensi. Miss Collins and Miss Sensi each procured a hoe, but when they returned to the point where the snake had been seen it was not in sight. They at once instituted a search and found the reptile under a bush. The hoes were vigorously applied and the snake was soon killed. It proved to be of the copper-head variety and measured thirty inches in length.

ACROBAT

Meets With Severe Injury At Cooper Theatre

Nolan, one of the trio in the last act on the Cooper theatre bill, sustained a very painful injury while he was doing his part in the act Tuesday night. The trio finished the bill and it was during a series of acrobatic stunts that Nolan lost his balance and fell against the sharp corner of a table, which was sitting on the stage. A deep gash was inflicted over his left eye. He went to the office of Dr. James F. Lee, where surgical attention was rendered. It required a number of stitches to close the wound.

NEW

Legal Holiday Added To The List This Year

Practically all banks and business houses generally have overlooked the fact that there will be a new legal holiday in Ohio this year, on which all financial institutions will be closed and which will be in every respect, in the eyes of the law, the same as the Fourth of July, Christmas day or other legal holidays made by legislative enactment.

House bill 23, which was passed on March 23 and approved by the governor March 25, makes Oct. 12, the day on which Columbus first landed on the shores of America, a legal holiday, under the title of Columbus Discovery day. The matters had passed out of the minds of all Columbus bankers, when an inquiry to the Ohio Bankers' Association resulted in the announcement that this year we will get to take a rest on Wednesday, Oct. 12—Columbus Journal.

It costs more than twice as much to live now as it did a hundred years ago, but it is worth the difference.

AFFECTIONS

Of Her Husband Alienated By A Man

And Wife Wants Damages In Sum Of \$6,000

Life Also Sues Her Husband For Alimony

Two Suits Filed In Court Of Common Pleas

Other Notes Of Interest From Temple Of Justice

Lavina Staats has commenced two suits in the court of common pleas of Knox county—one against W. A. Staats for alleged alienation of her husband's affections, in which she asks for damages in the sum of \$6,000. The second suit is against her husband, Elmer J. Staats in which she asks for alimony in a reasonable amount.

In the suit for the alleged alienation of her husband's affections the plaintiff states that on March 1, 1910, W. A. Staats enticed the husband away from the plaintiff and harbored him at his home in Pike township and kept him separated from the plaintiff. The plaintiff further states that the defendant, W. A. Staats, with evil and malicious intent encouraged a divorce proceeding to be brought and offered and stated he would pay all expenses thereof. The plaintiff therefore claims she has been damaged in the sum of \$6,000 for which amount she asks judgment.

In the suit for alimony against Elmer J. Staats, the plaintiff states they were married December 20, 1903, and that no children were born to them. She alleges that the defendant has personal property to the amount of \$750 and a half interest in a 200-acre farm. The charge is made that the defendant has abandoned her and refuses to provide her with the necessities of life. The plaintiff asks for alimony during the pendency of this case and upon final hearing asks for reasonable alimony. Owen & Carr of Mt. Vernon and L. B. Reid of Howard are the attorneys for the plaintiff in both actions.

SOME POINTERS

In Buying or Building Homes by the ad Writer of the Buckeye State Building and Loan Company, Rankin Building, 22 West Gay Street Columbus, Ohio.

1. Buy or build within your means. Many people make the mistake of buying or building a home too expensive for their pocketbook. When the home costs them more than they really can afford, it frequently happens that they get into debt deeper and deeper, and eventually lose all. The happy family is the one living within their means and whose members save something each month. Such families soon pay for their homes. Our assets \$4,200,000.

OPENING

Of The Sunday School Convention Friday Evening

There are certain fundamental things in Sunday school work which make the difference between an aggressive, growing school and one that merely plods along content with an existence. There is also a right and wrong method of using these fundamental things in the work, which distinguishes one school from another in efficiency and attractiveness.

The first endeavor of Sunday school workers should be to discover the things that are essential to the best work, then to discover the most vital method of using these essential things. The purpose of the Knox County Sunday School association in the coming convention is to emphasize phases of work that are essential to the best service, and to suggest the most practical methods of using these fundamental principles.

Every Sunday school officer and teacher in the city, and all other workers will find immeasurable profit in this coming school of methods. The Friday night session strikes the keynote of the convention.

ARREST

Of Man For Failing To Pay Livery Bill

Frank McDaniels was arrested on Wednesday by Constable Milton Simpkins of 'Squire Harter's court, on a warrant sworn out before the justice by John A. Quay charging him with securing a team and carriage and refusing to pay for the use of the same. Quay alleged that McDaniels secured the rig on July 10th of this year and promised to pay for it one week later, but that as yet, he has received no money. McDaniels entered a plea of guilty to the charge and was fined \$10 and costs and committed to jail until the same is paid.

Call To Presbyterian Church Does Rev. Clemmer

And Will Probably Arrive Here September 23

To Take Up Duties As Pastor Of The Church

A letter was received late Tuesday afternoon from Rev. W. A. Clemmer of Ashland, Pa., in reply to the call issued by the Presbyterian church of this city, asking his services as minister of the church to succeed Rev. J. A. Renennaugh, who is now pastor of a church in Cincinnati, Ohio. Rev. Clemmer stated in his letter that he would comply favorably with the call and will leave in a short time for Mt. Vernon to take up the work in the new field. Rev. and Mrs. Clemmer will probably arrive in the city on Friday, Sept. 23. Communications have been received by the church from other ministers asking for the pastorate, but the letter of acceptance from Rev. Clemmer has decided the matter.

BIBLE INSTITUTE

Meetings To Be Held In Basement Of M. P. Church

Arrangements have been made by the Federated Bible class association to hold all of the Turner Bible institute meetings in the basement of the Methodist Episcopal church. This includes the meetings after school for the children as well as the afternoon meetings for adults and the regular evening meetings. This institute will open Monday afternoon at 2:30 with the study for adults and as was carried out in the last institute. All meetings will be for every man, woman and child in the community, irrespective of church affiliation.

It is earnestly hoped that there will be a number of teachers volunteer who will assist with the children's work and also there should be an earnest co-operation on the part of all parents to get their children to attend these meetings. There are a great many who anticipate that there will be a much larger interest in the work this time than in the spring meetings.

It would be pretty hard on the inmates of an insane asylum to lock up a few engaged couples with them.

YOU DON'T HAVE TO LEAVE HOME

to get the best business education.

One year of performance is better than ten years of promise. The Mt. Vernon Business College has made good.

We weren't experimenting on Mt. Vernon the past three years with our local Branch School. We knew just what we were doing. Business men had pledged enough students for a fine class before even the first announcement, and each year was a grand success—this one will be even better.

Your money couldn't secure you a better education—no matter where you want. There is only one BEST—and in College Systems, and methods we control them absolutely. We pay large salaries to instructors who know their business and graduates of this school never be out of a position—we guarantee that.

Stay at home with your family and go to business college in your home town—what can you ask better than that—especially when you have everything that the big city college can offer—nothing different but the size of the school, and that can certainly be no disadvantage.

WE POSITIVELY GUARANTEE POSITIONS UPON GRADUATION OR REFUND EVERY CENT OF TUITION PAID. HOW CAN YOU LOSE?
